I. WELCOME

Thank you for purchasing our product. We hope to guide you through all the aspects of the module installation and the module setup within this document. But if you have any questions that are beyond the scope of this documentation, please feel free to contact us for more help.

This module is compatible with Prestashop 1.6.x - 8.x

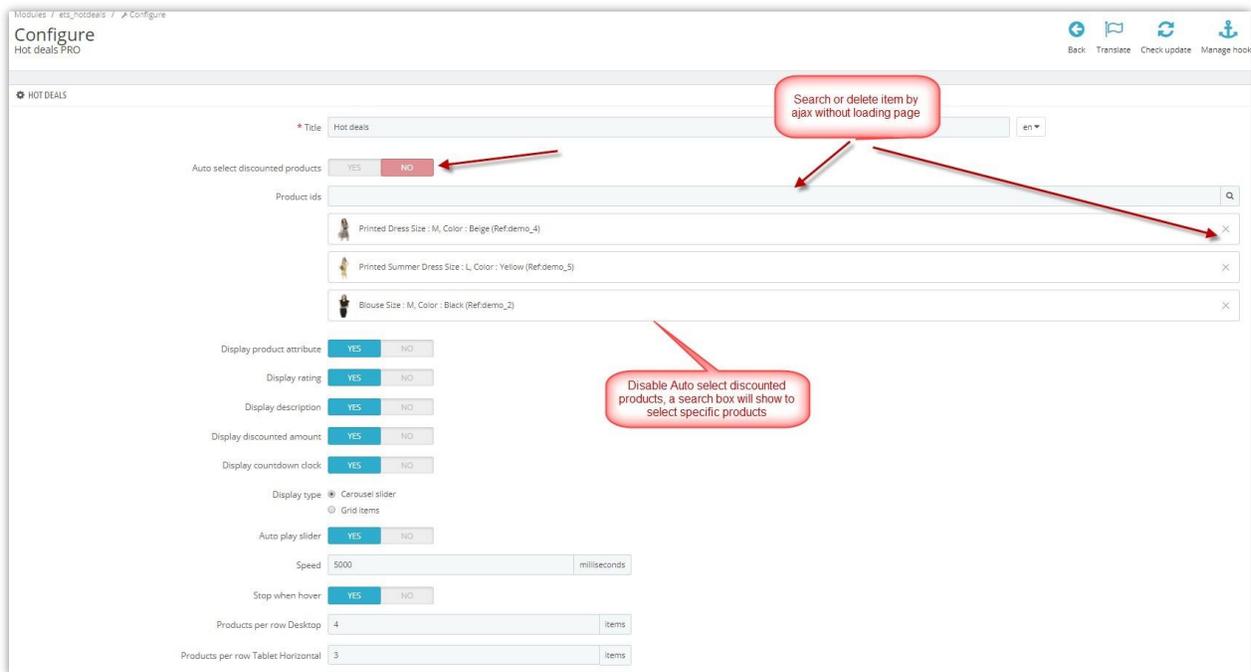

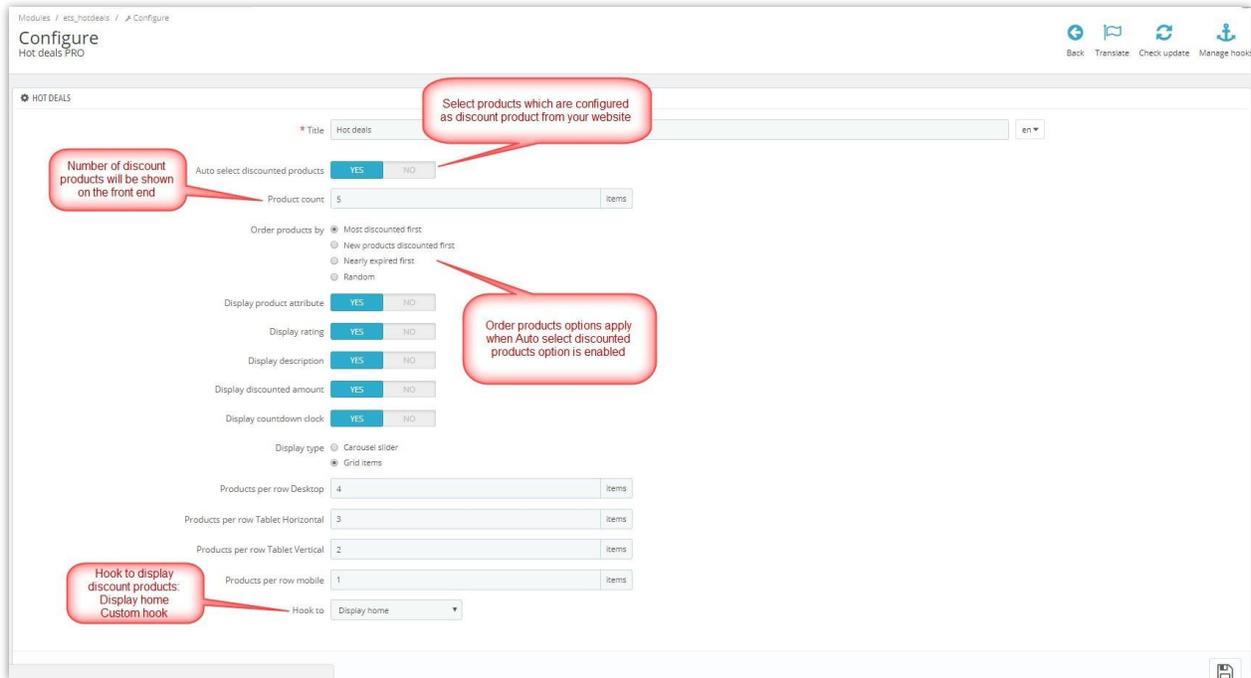

II. INSTALLATION

- Navigate to “**Modules/Modules Manager**” > click on “**Upload a module/Select file**”.
- Select the module file “**ets_hotdeals.zip**” from your computer then click on “**Open**” to install.
- Click on “**Configure**” button of the module you just installed to open the module’s configuration page.

III. CONFIGURATION

- Navigate to “Modules/Module Manager”, select “Installed module” tab then click on “Configure” of “Hot deals PRO”, you’ll see the module’s configuration page and start setting up the settings to display the discounted products block for your store.

Now, let's see how the discounted product block is displayed on the front office. There are 2 display hot deals types:
