I. INTRODUCTION

A **free PrestaShop featured products module** to add a block displaying your store's most popular products on various positions

***"Most popular products"** is compatible with PrestaShop 1.7.x

II. INSTALLATION

- Navigate to "**Modules / Modules Manager**" > click on "**Upload a module / Select file**".
- Select the module file "**ets_mostpopular.zip**" from your computer then click on "**Open**" to install.
- Click on "**Configure**" button of the module you just installed to open the module's configuration page.

III. CONFIGURATION

From your installed module list (located at "**Modules/Module Manager**"), find "**Most popular products**" then click on the "**Configure**" button to open its configuration page.

You will see the options below which are used to manage the display of the popular product block on the front office:
