I. INTRODUCTION

Security Certification – a free PrestaShop security certification module to post safety/security certificate images on the website. Let the visitors know your site is safe and reliable.

* **"Security Certification"** is compatible with PrestaShop 1.7.x

II. INSTALLATION

- Navigate to **"Modules / Modules Manager"** > click on **"Upload a module / Select file"**.
- Select the module file **"ets_securitycertification.zip"** from your computer then click on **"Open"** to install.
- Click on **"Configure"** button of the module you just installed to open the module's configuration page.

III. CONFIGURATION

From your installed module list (located at **"Modules/Module Manager"**), find **"Security Certification"** then click on the **"Configure"** button to open its configuration page.

SETTINGS

Enabled YES NO
