I. INTRODUCTION

"**Add To Cart From List**" is a free PrestaShop module that allows you to display "Add to Cart" button in the product list and enable customers to quickly add a product to their shopping cart without the need to go to the product detail page.

*"**Add To Cart From List**" is compatible with PrestaShop 1.7.x

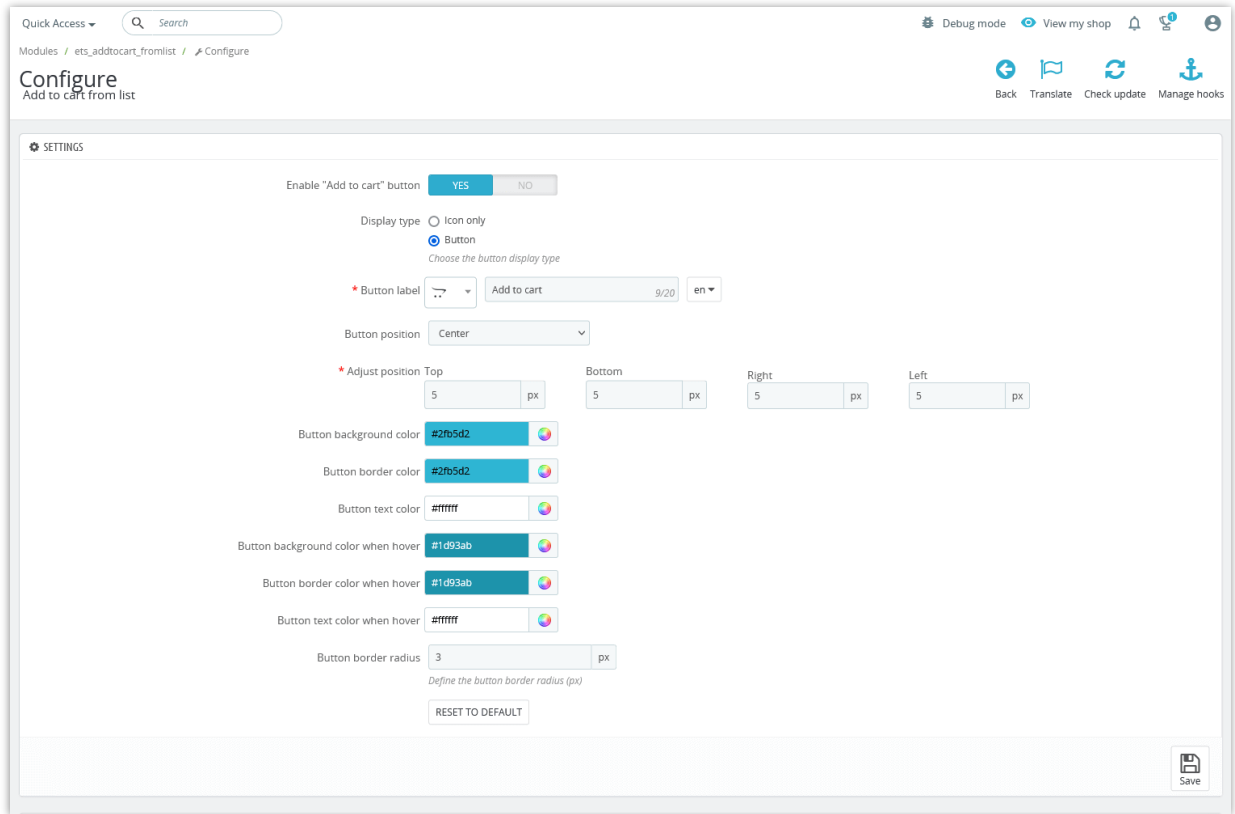

II. INSTALLATION

- Navigate to "**Modules / Modules Manager**" > click on "**Upload a module / Select file**".
- Select the module file "**ets_addtocart_fromlist.zip**" from your computer then click on "**Open**" to install.
- Click on "**Configure**" button of the module you just installed to open the module's configuration page.

III. CONFIGURATION

From your installed module list (located at "**Modules/Module Manager**"), find "**Add To Cart From List**" then click on the "**Configure**" button to open its configuration page.

You will see the options below which are used to manage the display of "Add to Cart" button:

Enable "Add to cart" button: display or hide "Add to Cart" button on the front office.

Display type: select the type of "Add to Cart" button you want to display on the front office.

Our module supports 2 types of button:

- Icon only: select 1 among 5 icon styles then set up position, background border, background color, icon color, etc. for the "Add to Cart" icon.
