1. WELCOME

Thank you for purchasing our product. We hope to guide you through all the aspects of the module installation and the module setup within this document. But if you have any questions that are beyond the scope of this documentation, please feel free to contact us for more help.

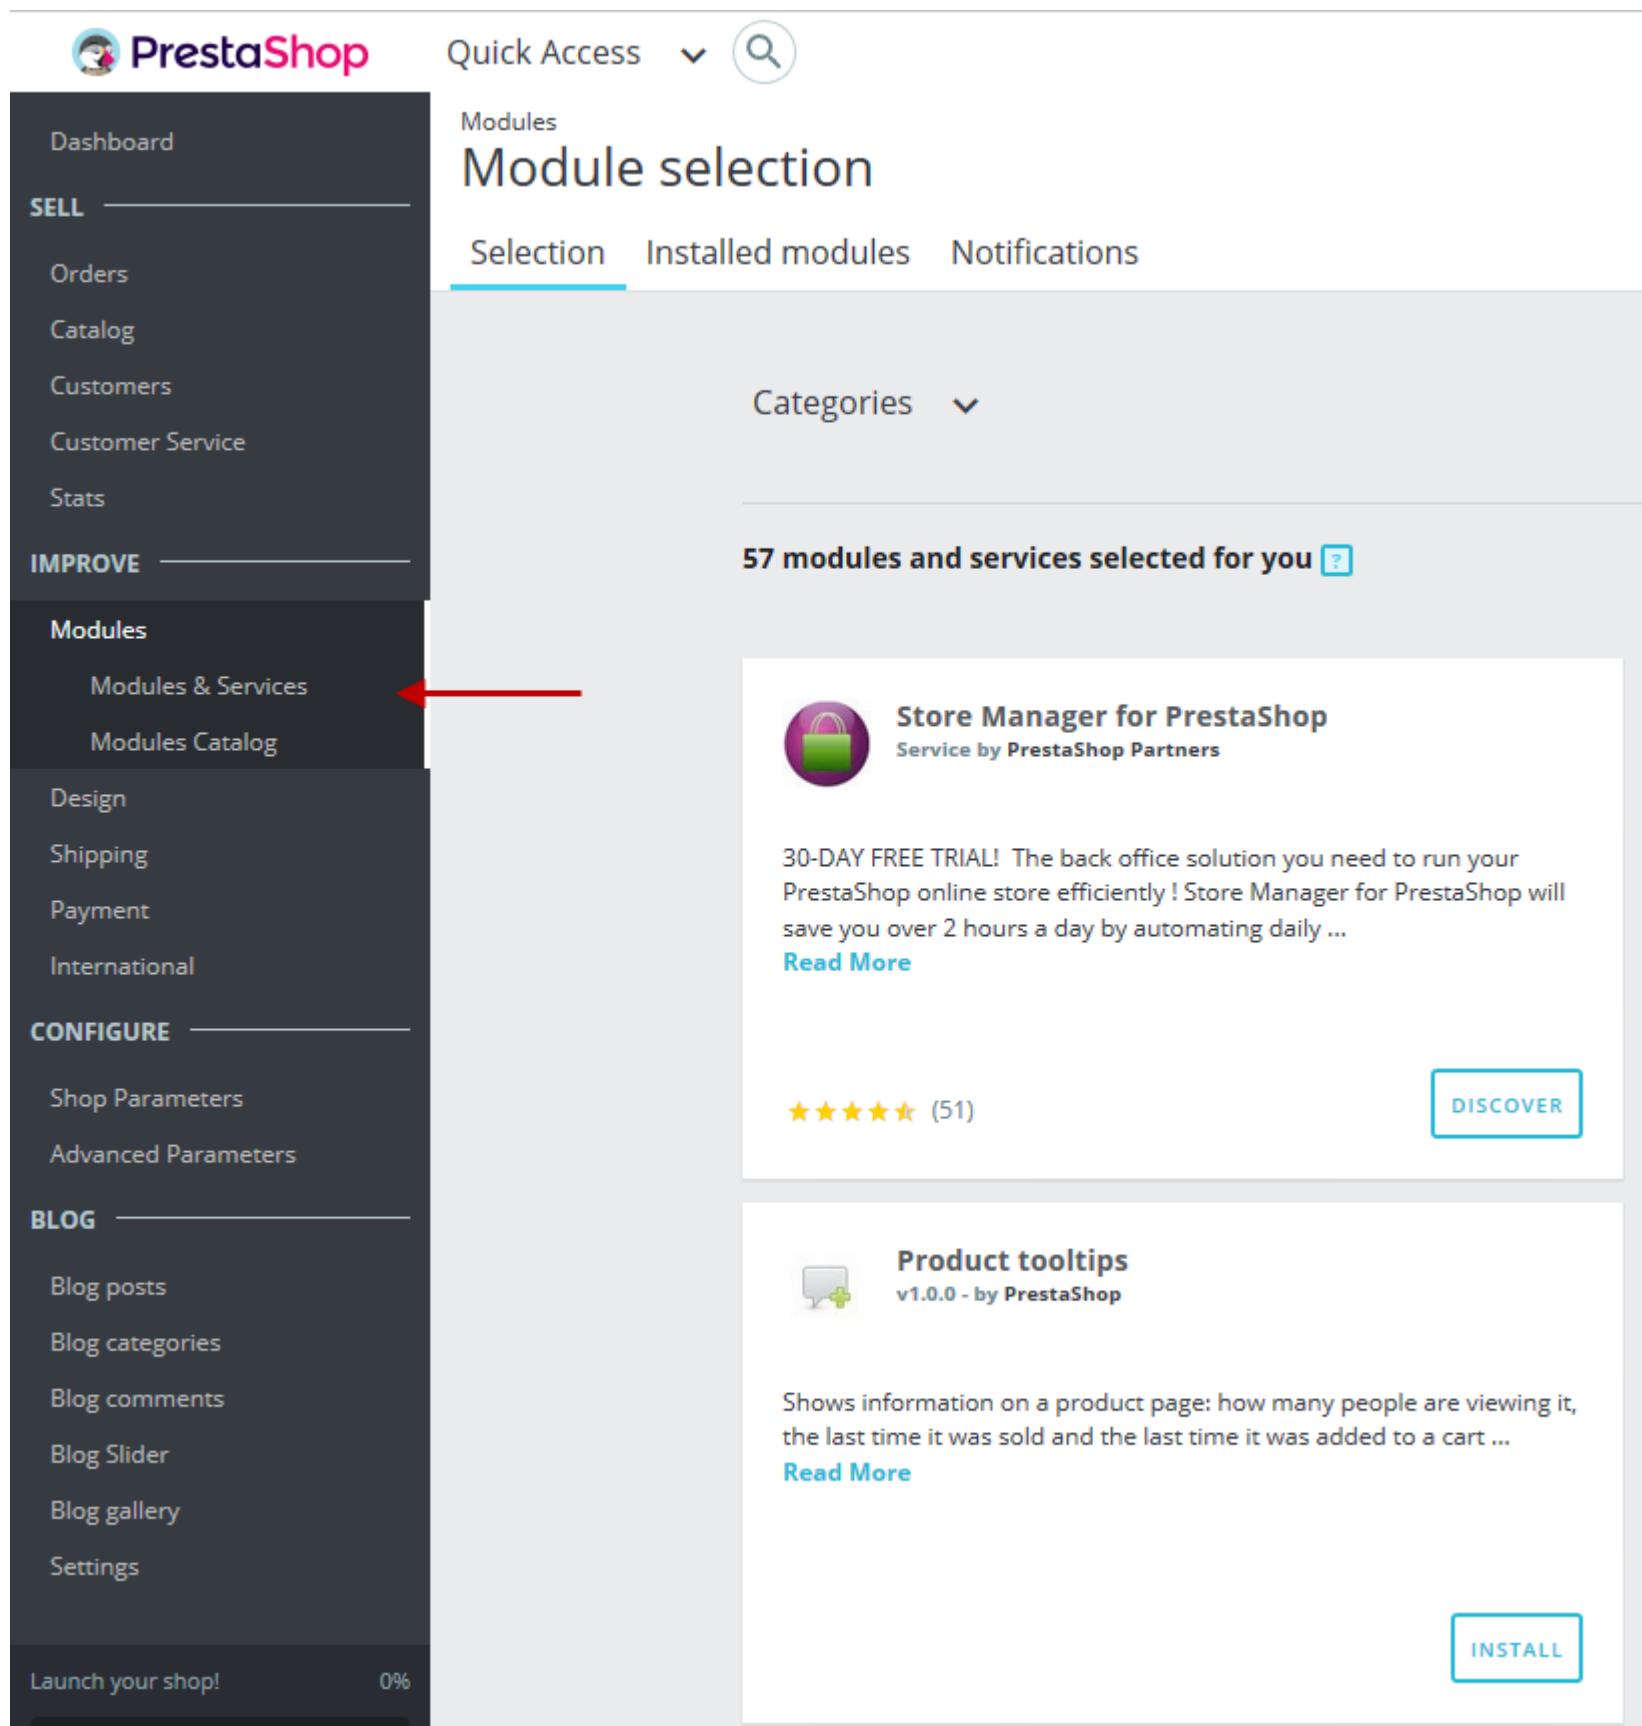

2. REQUIREMENTS

- This module is compatible with Prestashop 1.6.x - 1.7.x

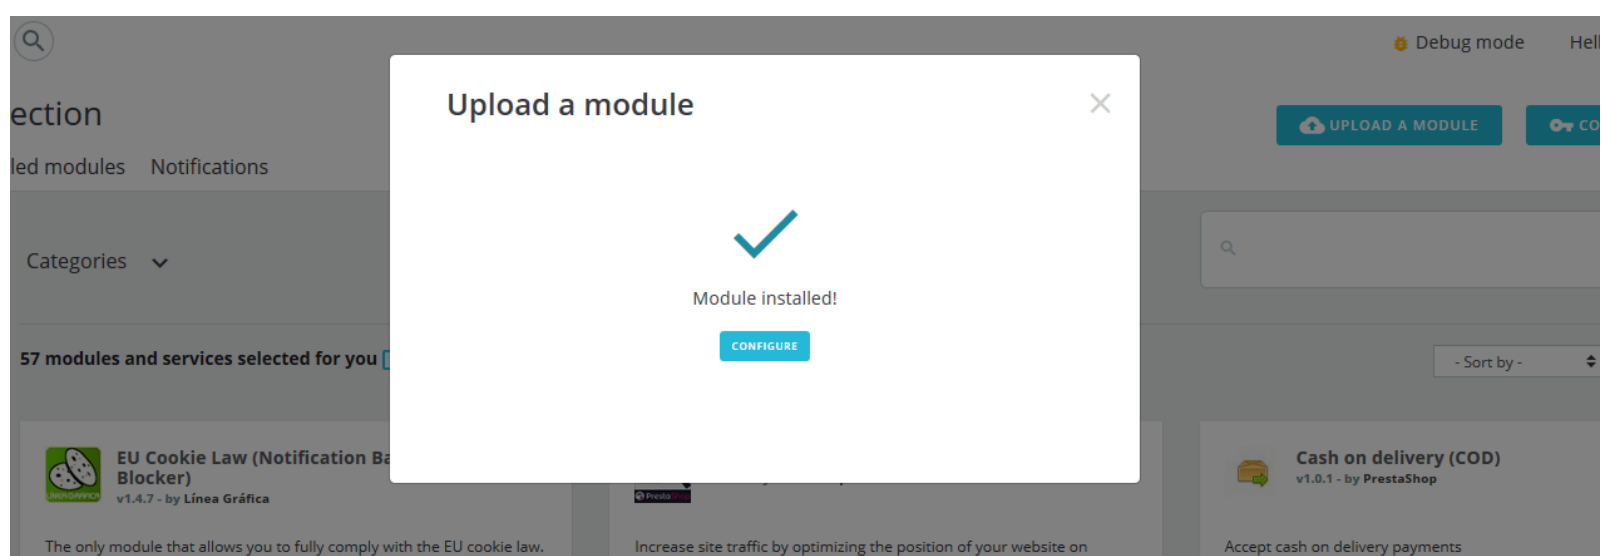

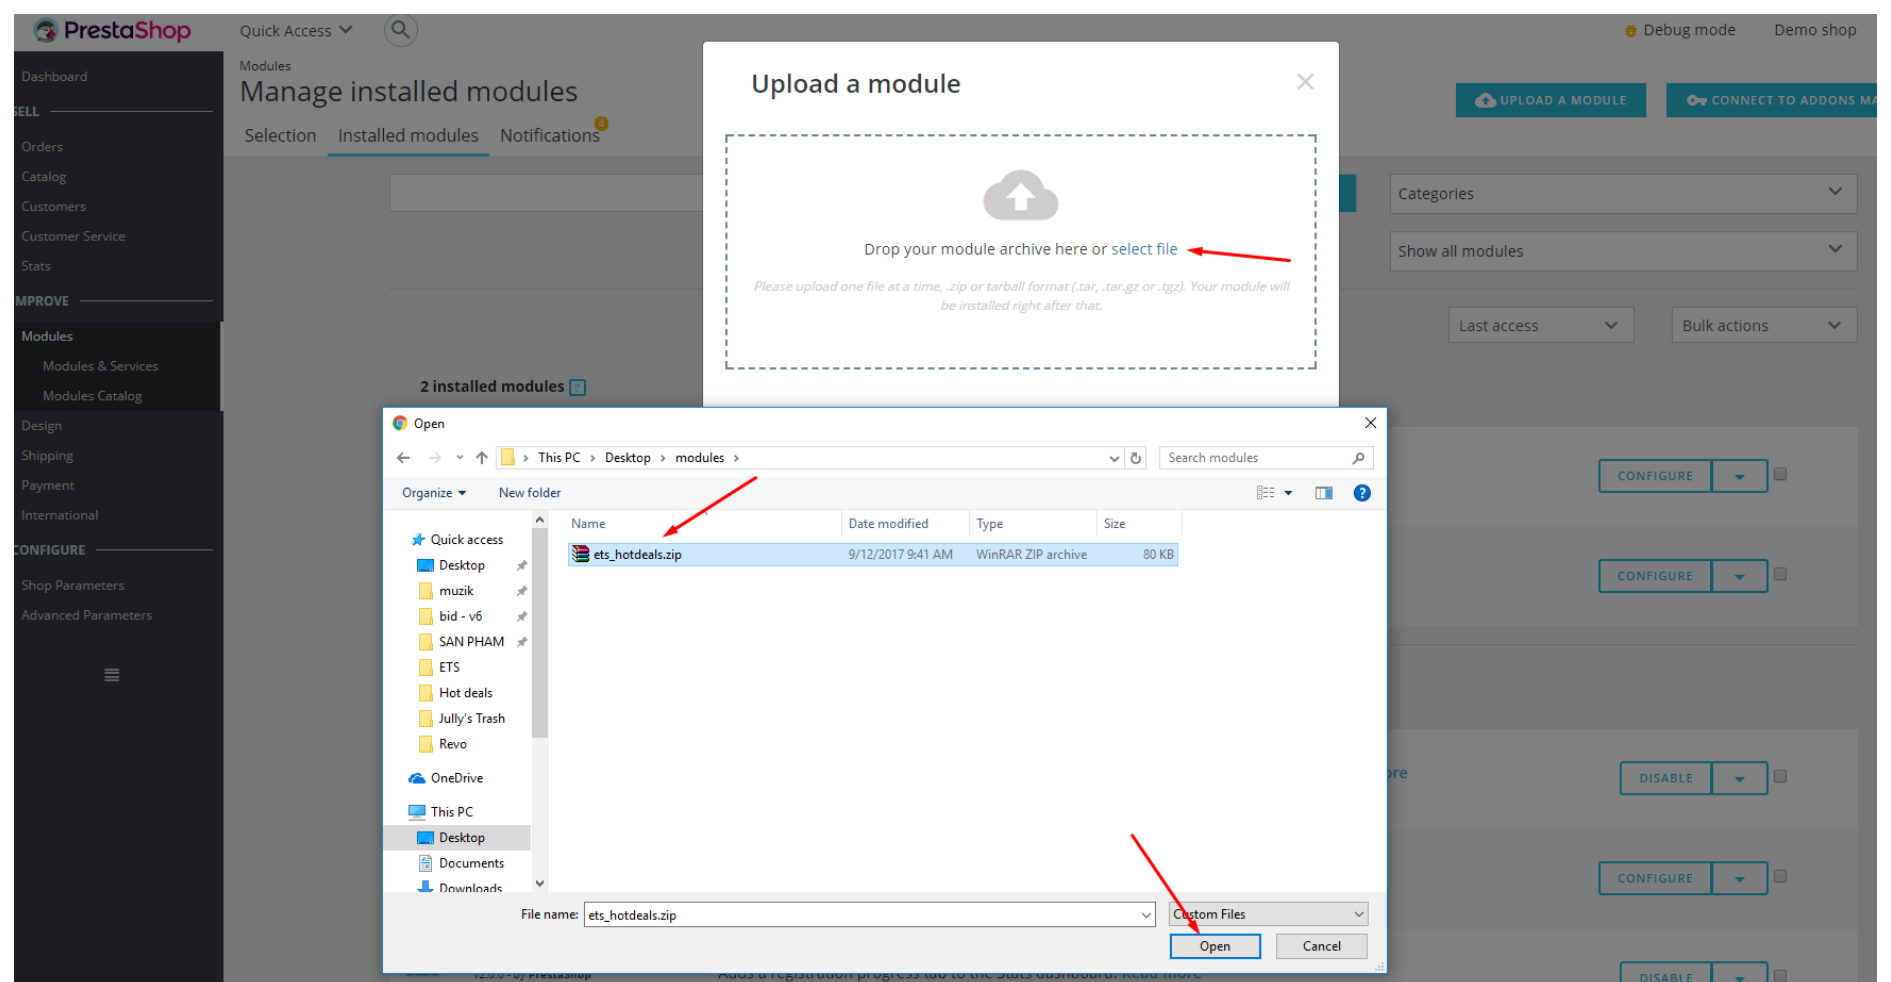

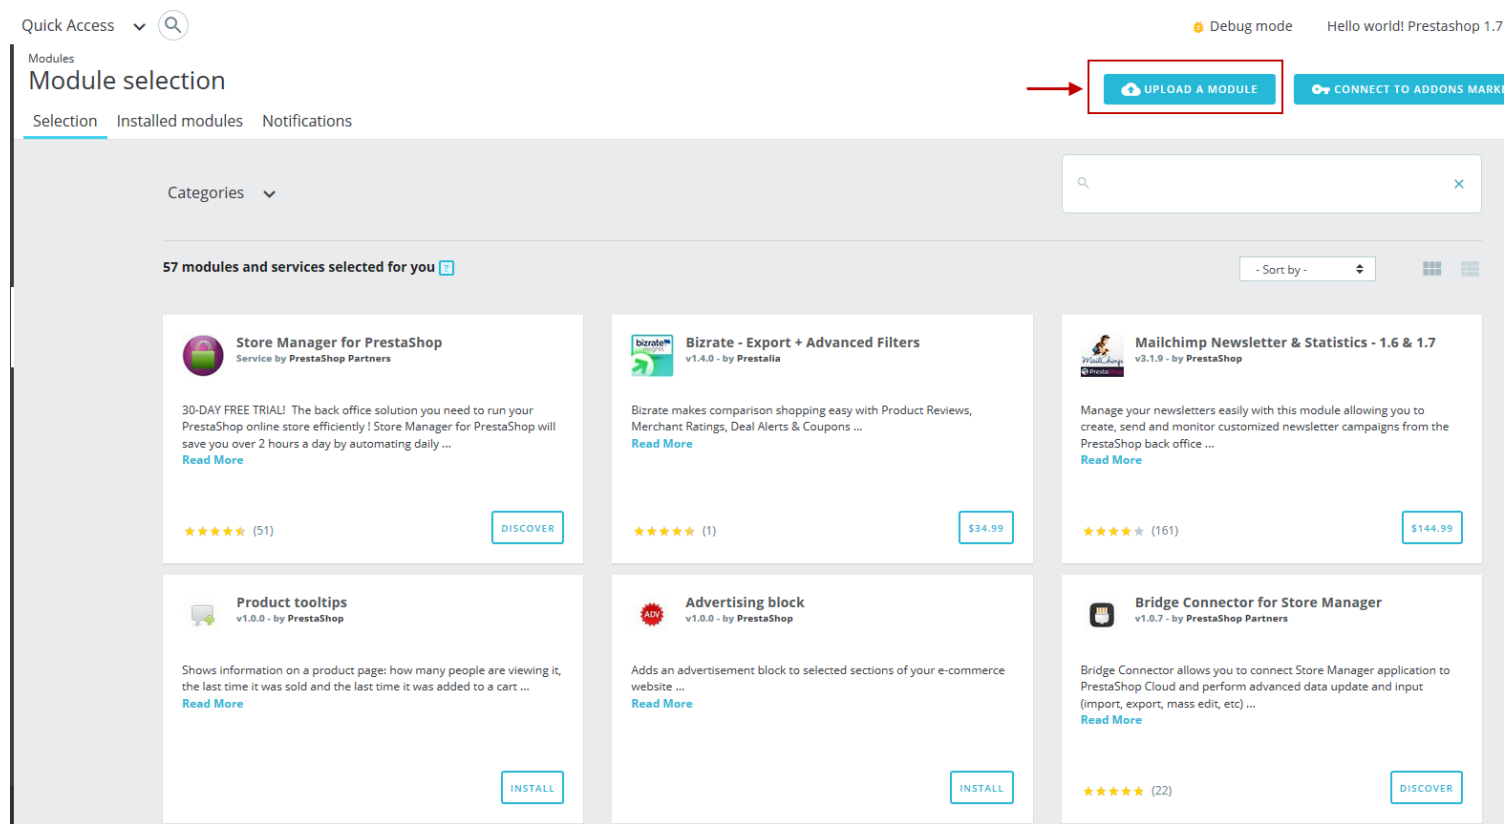

3. INSTALLATION

❖ UPLOAD MODULE

- Navigate to “*Modules / Modules & Services*”:

- Click on “*Upload a module*” and select the module .zip file (named *ets_hotdeals.zip*)

❖ MODULE CONFIGURATION

- Navigate to “*Modules/modules & services*”, Select “Installed module” tab then click on “Configure” of “*Hot deals PRO*”

The screenshot shows the PrestaShop admin interface. On the left is a dark sidebar with a menu. The main area is titled 'Manage installed modules'. At the top of the main area, there are tabs: 'Selection', 'Installed modules' (which is active and highlighted with a red arrow), and 'Notifications'. Below the tabs, there are filters for 'hot' and 'deals' (both with 'x' icons to remove them), a search bar, and dropdown menus for 'Categories' and 'Show all modules'. On the right side of the main area, there are buttons for 'Last access' and 'Bulk actions'. The main content area shows '1 installed modules'. The first module is 'Hot deals PRO' (v1.0.1 - by ETS-Soft). It has a red 'DEALS' icon and a description: 'Display discounted products in carousel slider with count-down clock'. To the right of the module name is a 'CONFIGURE' button with a dropdown arrow, which is highlighted with a red arrow. Below this, it shows '0 built-in modules' and '0 theme modules'.

The screenshot shows the 'Configure' page for the 'Hot deals PRO' module. The breadcrumb trail at the top is 'Modules / ets_hotdeals / Configure'. The page title is 'Configure Hot deals PRO'. On the right side, there are links for 'Back', 'Translate', 'Check update', and 'Manage hooks'. The main content area is titled 'HOT DEALS'. It has a 'Title' field set to 'Hot deals' and a language dropdown set to 'en'. Below this, there are several configuration options: 'Auto select discounted products' (YES/NO toggle, with a red callout bubble pointing to it saying 'Select products which are configured as discount product from your website'), 'Product count' (5 items), 'Order products by' (radio buttons for 'Most discounted first', 'New products discounted first', 'Nearly expired first', and 'Random', with a red callout bubble pointing to it saying 'Order products options apply when Auto select discounted products option is enabled'), 'Display product attribute' (YES/NO toggle), 'Display rating' (YES/NO toggle), 'Display description' (YES/NO toggle), 'Display discounted amount' (YES/NO toggle), 'Display countdown clock' (YES/NO toggle), 'Display type' (radio buttons for 'Carousel slider' and 'Grid items'), 'Products per row Desktop' (4 items), 'Products per row Tablet Horizontal' (3 items), 'Products per row Tablet Vertical' (2 items), 'Products per row mobile' (1 item), and 'Hook to' (Display home). A red callout bubble points to the 'Hook to' dropdown with the text 'Hook to display discount products: Display home Custom hook'. At the bottom right, there is a 'Save' button.
