I. INTRODUCTION

Product list pagination module - add pagination to product listing page on the PrestaShop store in 3 ways: pagination, "load more" button, or scroll to load.

*"**Product list pagination**" is compatible with PrestaShop 1.7.x

II. INSTALLATION

- Navigate to "**Modules / Modules Manager**" > click on "**Upload a module / Select file**".
- Select the module file "**ets_productlistpagination.zip**" from your computer then click on "**Open**" to install.
- Click on "**Configure**" button of the module you just installed to open the module's configuration page.
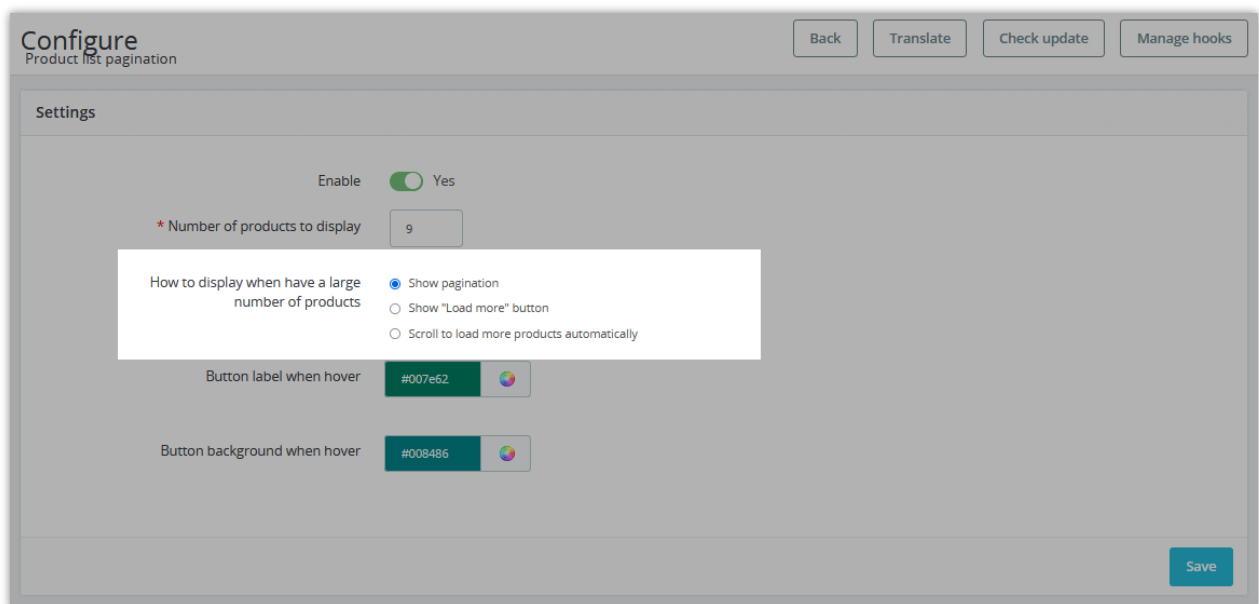

III. CONFIGURATION

From your installed module list (located at **"Modules/Module Manager"**), find **"Product list pagination"** then click on the "**Configure**" button to open its configuration page.

Here you can set up and choose a way to paginate the product listing page in your PrestaShop store.
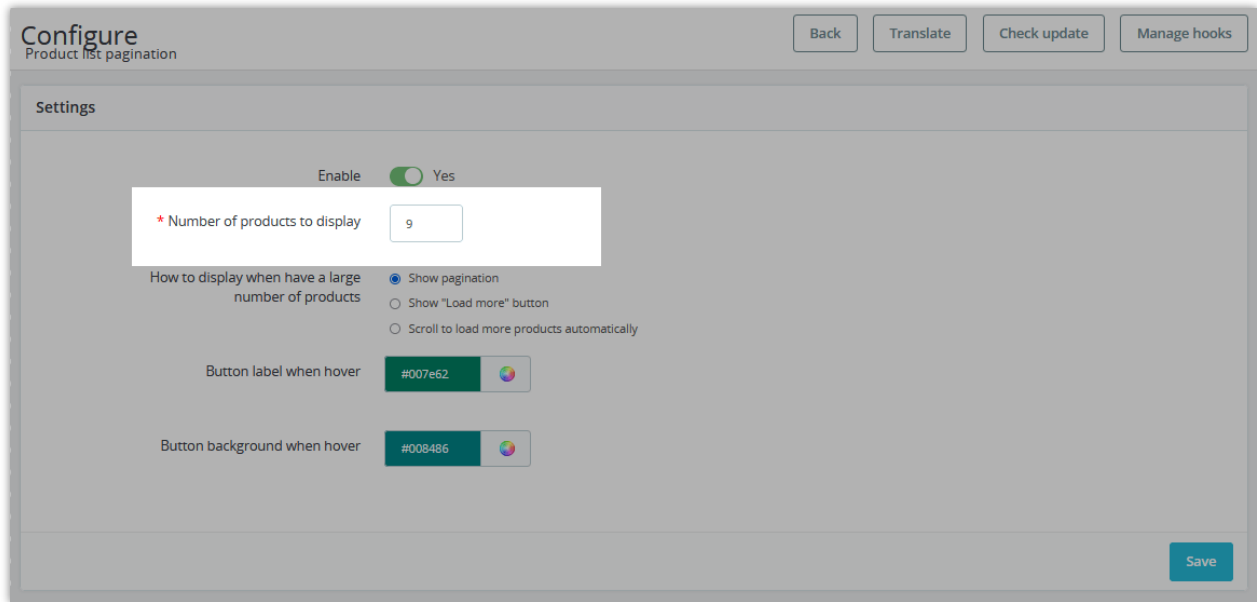

The module provides 3 ways to add pagination to the product listing page on the PrestaShop store:
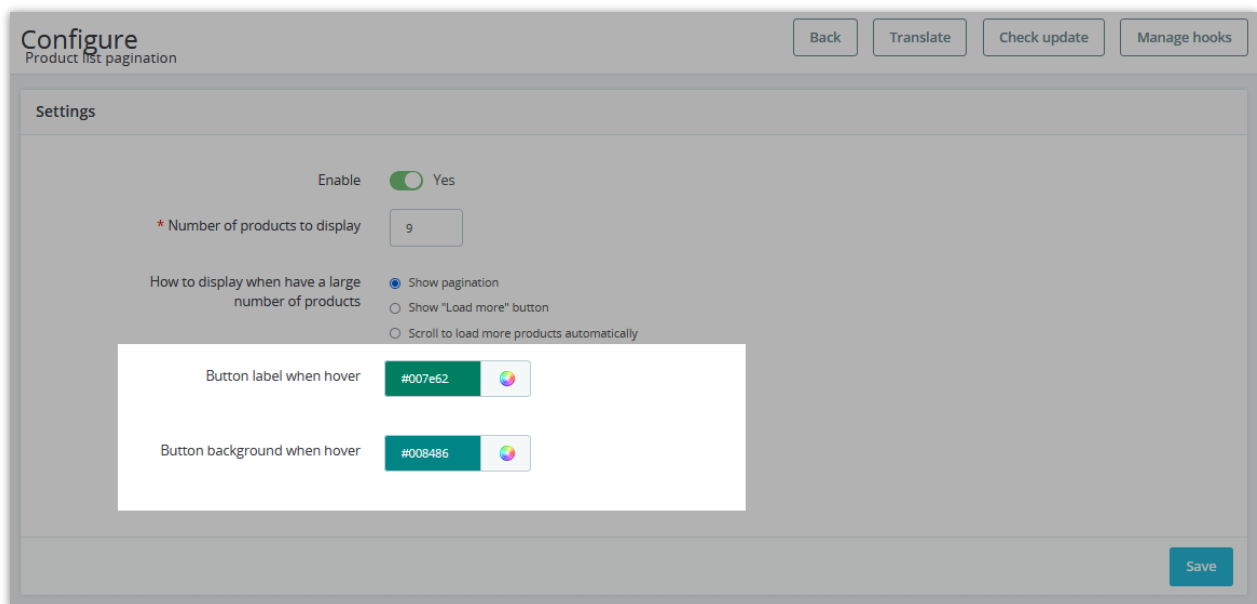

- *Show pagination*
- *Show "**load more**" button*
- *Scroll to load more products automatically.*

You can completely set up the number of products to display on each page:

Button label and button background can be customized.

Let's see how each type of pagination is displayed on the front office!

- *Show pagination:*
